

FBOs

Make yourself at home!

We can't wait for you to make yourself at home in Newfoundland. Our three world-class FBOs, located on the Great Circle Route, are here to serve you 24 hours a day, 365 days a year. We focus on building trusting relationships by providing quality service and responding to your needs quickly and respectfully.

Operational excellence

- **Best practices** – As an IATA Strategic Partner, we practice the policies and procedures that have revolutionized aviation standards.
- **Reliable supply** – From our state-of-the-art refinery in Saint John, NB, a dedicated fleet of truck and marine vessels deliver products to 20 plus airports in Atlantic Canada and New England.
- **Diverse network** – We have access to a world-wide supply network and are ready to fuel your needs, no matter where you land.

The products you need

- **Quality products** – We produce and deliver jet fuel that meets CAN/CGSB-3.23 and ASTM D-1655 specifications.

A team on your side

- **Customer focus** – Our commitment to you is a part of who we are as a company. Since 1924, customer focus has been one of our guiding principles.
- **People you trust** – Our staff provide a wide range of services that include on-site ground handling, de-icing, flight planning and so much more. At our FBOs in Gander, St. John's or Goose Bay, expect service with a smile.
- **24-hour support** – Our FBOs are open 365 days a year to take care of your needs, answer questions or quickly fix issues.

A focus on quality

- **Quality focus** – We test all raw materials and finished products to ensure our customers receive high-quality, dependable products.

Three quick questions to get us started
