Hi Donal,

Thank you ever so much for the team tie - I shall wear it with pride and fond memories of my first trip to Ireland. You really didn't have to do it and I am ashamed I haven't sent the company patch as yet, but have been busy dashing around Ireland attending to matters for Capt. Blair.

Right now I am preparing to leave for NYC from Shannon and just had to write and say thanks and that I'll send a patch after I get hold of one in St Croix, a few days from now.

Yesterday we took the bus up for flights to our various

landing site here in Ireland
 It was our first flight since
 our leaving Fognes and the delay
 was due to our having to get
 the approval from the various
 government agencies, but all is
 well now and we hope to do
 some flights later in August before
 we return to States in Sept. But
 if the flights are successful we
 plan to return every summer.

I've enclosed a bit on the
 plane in case I didn't get to
 give you one at the bash at
 the YC.

Hope that next time, ^{annet} I have
 a chance to meet your wife in
 Limerick

Sincerely
 Nick Castuccio
