Federal Aviation Administration
Aircraft Registrations
Post Office Box 25504
Oklahoma City, Oklahoma 73125

Dear Sirs:

During a period of time where our Gruman Mallard N2954 has been grounded due to extensive renovation work, it appears Registration Certificate and aircraft manual was lost. In order to reconstruct these documents we request the assistance of your office. We shall need a duplicate Certificate of Aircraft Registration for N2954 Serial #J.14 together with copies of any 337's on file.

This aircraft is part of our 135 operation and was scheduled for return to service during the first week of July. The seriousness of our dilemma is therefore one of immediate concern and we would be most grateful for any prompt assistance your office can render. *APR 254 will handle copies 337's. mw*

I have enclosed a check in the amount of \$2.00 representing payment for the duplicate Certificate. Please do not hesitate to call should any further information be required.

Respectfully yours,

Fleming Andersen
Director of Operations
Walker's International

FA/bh

Enclosure

\$ 2.00
