Donald was my Dad (Patrick McDermott's) Uncle, I never met him but heard great things about him. He bought my parents a 365 day beautiful clock for their wedding gift from Germany when he was there as a pilot in 1951, I now have that clock as my parents are both deceased. Peace to his family.

Donald was my uncle. When my dad died in 1962 he helped us all through it. He was a kind and generous man who never forgot his family in Iowa.

My husband and I had met "Mac" a few times, but our dear friend Gerhard Kuhn and Anneliese often shared Saturday lunches at the Golf Club with him and Eddie. Gerhard and Anneliese were in Germany at the time of Mac's passing. They had no knowledge of it until they returned home. All of our prayers are with the family at this sad time.
