Dear Mr. Anusewicz:

Ed Cox delivered the VS-44 log books and related material last week. The log books are very significant for us and I thank you for your donation.

The VS-44 is the "Star" of our collection and I hope that one day you will be able to visit. Enclosed please find a copy of the book that we sell here at the Museum which does a great job in telling the story of this famous airplane!

Sincerely,

Michael P. Speciale
