PRA Public Burden Statement: A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The OMB Control Number for this information collection is 2120-0042. Public reporting for this collection of information is estimated to be approximately 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing and reviewing the collection of information. All responses to this collection of information are required to retain aircraft registration in accordance with 14 CFR Part 47. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Aviation Administration, 10101 Hillwood Parkway, Fort Worth, TX 76177-1524.

Re: Grumman Mallard Serial #J2

This aircraft was purchased in Canada, where it was registered as CF-BKE. It has been deregistered from the Canadian Registry.

I would like to register this aircraft as **N12YZ**. I enclose a \$10 special number fee with the \$5 registration fee, together with the original bill of sale.

Please note that my address has changed since the bill of sale was made. My new address is 100 Waterbird Landing, Coolin, ID 83821. I have enclosed two applications, one for the old address and one for the new, in the hope that one of them will work.

Thank you.
