HAWAII **Honolulu (PHNL)** **6/94**
Circle Rainbow Aviation is a first-class operation. I highly recommend it as the best FBO that I have gone to in my entire aviation career. They could not do enough for us. No task was too big or small. Thank you, Circle Rainbow, for a job well done. For more information call (617) 274-5430; ask for R.A.
